

Riverside Public Utilities operates in a dynamic, historic community that offers its residents a wide selection of things to do. Whether it's a visit to the renown Mission Inn, or the City's numerous parks and museums, there's plenty to choose from. The city is also an important financial and judicial center in the Inland Empire, with a large and diverse economy that has the largest number of jobs and businesses within the region.

Be a part of supplying the electric and water needs of a rapidly growing community by considering a career with Riverside Public Utilities (RPU). With over 490 employees, we're comprised of four divisions: Water, Energy Delivery, Finance/Customer Relations and Resources.

RPU offers a wide array of career choices from entry level to professional. Depending on your area of interest, there are a number of career paths available to you. For example, start out as an Engineering Aide, and your career path could include advancement up to a Senior Engineer at a higher salary. We have many careers to choose from, and offer challenging and fulfilling opportunities.

CONSTRUCTION INSPECTOR II (WATER ENGINEERING)

Offering You the Power of Opportunity

The Position

A Construction Inspector II works under general supervision and requires a complete knowledge of construction inspection principles and practices. Examples of typical duties include the review of plans and specifications of assigned project with construction supervisor, inspection of materials for identification as conforming to specifications, performing of routine field tests, and observes and properly documents work during progress and through completion of daily diaries.

The position requires the knowledge of the principles, methods, materials, equipment and safety hazards of construction in the field of assignment, defects and faults in construction and the principles and regulations of traffic control during construction. In addition to these qualifications, a Construction Inspector II should have knowledge of applicable laws, regulations, codes and departmental policies.

This is technical field work in the inspection of public utilities/water construction projects. Work involves the responsibility for inspecting workmanship and materials involved in a variety of construction projects, including pipelines, booster stations, wells, and storage reservoirs, for conformance with plans, specifications and departmental regulations. Work is performed independently, requiring the exercise of judgment and initiative in interpreting and enforcing project requirements, adapting to unexpected construction problems and maintaining good public relations with affected property owners. Prepares clear, concise and thorough daily project inspection reports. Prepares as built plans for completed projects.

Requirements

Equivalent to the completion of the twelfth grade, preferably supplemented by college level math or engineering related courses. Two years of experience comparable to that of a Construction Inspector I in the City of Riverside. Knowledge of principles, methods, materials, equipment and safety hazards of water utility and public works infrastructure construction. Knowledge of the California Standard Specifications for Public Works Construction (GREENBOOK), applicable laws, regulations, codes and departmental policies.

Necessary Special Requirement

- Possession of, or ability to obtain, a valid Class "C" California Motor Vehicle Operator's License.
- Possession of, or ability to obtain within six months of employment, a Grade D3 Water Distribution Operator Certificate issued by the California Department of Health Services (DHS). Employees in this position are subject to agency shop requirements.

Benefits

Employees of the City of Riverside are eligible to receive a comprehensive benefit package consisting of Medical and Dental prepaid plans. Additional benefits can include:

- Educational Reimbursement Plan
- Training Opportunities
- Sick Leave
- Vacation Time
- Two Deferred Compensation Plans
- A Flexible Spending Plan For Out-Of-Pocket Expenses
- Life Insurance
- Long Term Disability Insurance
- Vision Coverage
- Dependent Care Options
- 11 Paid Holidays
- Public Employees Retirement System 2.7% @ 55-Years-Old
